

Implementation Checklist Level 2 Units

If you intend to use this curriculum in the classroom setting, our research study determined that there are certain activities found within each curriculum unit that should be repeated as indicated in order for the curriculum to have maximum success.

This checklist is designed to help educators identify which activities should be repeated so that story content and related vocabulary are woven into all aspects of learning.

Teaching Materials:

- Send parent letter to introduce unit
- Add story props to dramatic corner; change, rotate and/or add

Scheduled Activities:

Daily

- Read curriculum unit storybook emphasizing a variety of cognitive concepts and vocabulary as appropriate
- Review Concepts of Print during daily readings
- Phonemic Awareness activity related to story
- Review familiar words and phrases from the story
- Math activity related to story
- Music or rhymes related to the story

Once or twice per week, as appropriate

- Use science journal to note predictions and record actual findings
- Social studies activity related to story
- Creative writing activity related to story
- Snack or foods related to the story (at least twice a week)

End of Unit:

- Parent letter with child assessment information
- Child receives an identical copy of the storybook that has been read each day throughout the unit (optional)*
